Re: Dyson Technology Limited v. Maytag Corporation,
C.A. No. 05-434-GMS

Dear Judge Sleet:

Enclosed please find the draft Scheduling Order for the above-captioned case. The dates in the Order are consistent with the dates agreed upon at the Rule 16 conference with one exception. The date for submission of a protective order has been changed from December 12 to December 19. The parties are very close to completing a protective order, but require an additional week to finalize certain details.

Should your Honor have any questions or concerns about the Order, counsel for the parties are available at the Court's convenience.

Respectfully submitted,

C. Barr Flinn
